Article and Design Submissions

We are always interested in featuring content by Canadian designers and writers. Please familiarize yourself with **Quilter's Connection Magazine** to understand the type of articles and projects we publish. Visit our 'Subscribe' page, or call our office at 604-290-3454 to subscribe or purchase back issues.

If you would like to submit a design or an article to our magazine, please review the following *guidelines*:

1. Please submit only your own original, previously unpublished ideas.
2. We publish humorous and inspirational stories, articles on quilting techniques, as well as profiles of interesting quilters, unique guild activities, and quilting trends. Articles can be up to 1000 words in length, and must be emailed to us in MS Word format. Include photos with your submission.
3. We plan each issue at least 6-9 months in advance. Please consider seasonality and relevance when submitting a design or article.
4. Include photos of your quilt design, whether it is finished or a work in progress, as well as the level of difficulty (Beginner, Intermediate, Advanced), a detailed description and finished size. Photos should be clear and detailed, in a resolution of at least 300dpi (consult the owner's manual of your camera for settings).
5. Include a letter about yourself, citing credentials (previous publishing, design experience, etc) and your quilting background. You do not need to be a professional quilter or designer to be published in our magazine! We just want to learn a little more about you.
6. Quilters Connection Magazine has limited exclusive copyright license. Three months after publication the publishing and user rights revert back to the designer.
7. Quilter's Connection Magazine reserves the right to reject any finished project on the basis of poor workmanship, missed deadlines without prior approval, and/or deviation from the original design idea.
8. If your submission is chosen for an upcoming issue of Quilter's Connection Magazine, you will be contacted with additional instructions and requirements. Please be patient - it takes time to review ideas, and occasionally we retain submissions for future issues. If you have not heard from us within 8 weeks, feel free to write us a note requesting submission status.

9. The acceptance of a submitted piece for publication in a specific issue does not ensure that the piece will be published in the issue for which it is designated. Changes in the development of the magazine may prevent us from publishing every piece selected for an issue.

10. Send all submissions to: info@quiltersconnection.ca. In the subject headline, type **SUBMISSIONS**.
